

# welcome

**Airlie Beach is the gateway to the Whitsundays and the envy of every travelling sunseeker.**

Nestled within the jewel of Australia's coral coast is the Island Gateway Holiday Park. With pristine sailing waters lapping at our shores and the Great Barrier Reef on our doorstep, Island Gateway Holiday Park is the perfect launching pad for Australia's premier water playground.

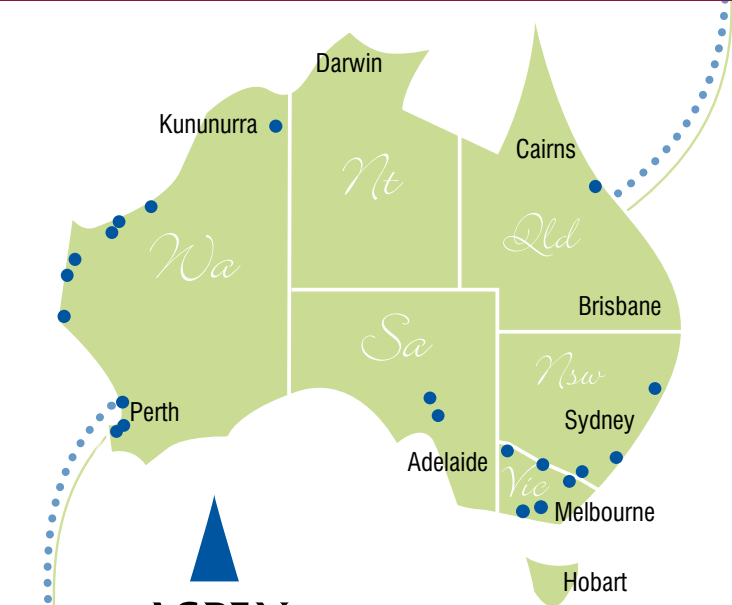

Slow down and soak up the Airlie Beach lifestyle. Our friendly staff can offer you all you need to enjoy everything this seaside paradise has to offer.

If sailing before sunset and anchoring at a secluded island cove is too slow for you, then get ready to dive the skies or the depth of the coral reef.
